November 4–5, 2022

Dear Friends:

On behalf of the Commonwealth of Kentucky, it is my distinct honor to welcome everyone to the heart of the Bluegrass for the 2022 Breeders' Cup Championships.

The 39<sup>th</sup> annual running of the Breeders' Cup returns for the third time to the Horse Capital of the World and Lexington's historic Keeneland Racetrack. The first, in 2015, produced the memorable, career-capping, Grand Slam triumph by Triple Crown-winner American Pharoah, and the second, in 2020, during an unprecedented, global pandemic, the Breeders' Cup races were conducted without spectators in the stands. With all activities back in full swing this season, we look forward to yet another thrilling and momentous event.

I personally want to thank both the Breeders' Cup for once again selecting Keeneland to host this prestigious racing event, and Keeneland for accepting the challenge. Both organizations exhibit the highest dedication to horse racing, the fans, and the advancement of the entire Thoroughbred industry. We are honored to have such partners and sincerely thank the management and staff of both of these organizations. In particular, I would also like to thank Breeders' Cup President and CEO Drew Fleming and Keeneland Association President and CEO Shannon Bishop Arvin for their commitment and leadership to not only this event but also the Thoroughbred industry as a whole.

A highlight of the global-racing calendar, the Breeders' Cup World Championship promises to be another showcase for the Thoroughbred racing industry and Kentucky culture. Many of the horses that will compete were born, bred, or raised on farms within 50 miles of the track. Kentucky's equine industry combines to generate \$6.5 billion in annual cumulative direct, indirect, and induced economic activity and generates more than 60,000 jobs in the Commonwealth.

We are grateful for the dozens of local businesses and charitable groups that demonstrated true TEAM Kentucky spirit in devoting countless hours and resources to ensure the success of this event.

Finally, we wish the very best of luck to all of the jockeys, trainers, owners, and breeders for a safe and successful competition and a wonderful experience for the spectators.

Sincerely,

  
Andy Beshear  
Governor

**Welcome to the Breeders' Cup at Keeneland**

Keeneland is honored to welcome the Breeders' Cup World Championships home to the Bluegrass for the third time, following a successful debut here in 2015 and an unprecedented running in 2020. The missions of Keeneland and Breeders' Cup are uniquely connected as we both are committed to the Thoroughbred, to the equine industry and to ensuring our fans have a world-class experience while watching the best of Thoroughbred racing.

Central Kentucky and Keeneland have deep ties to the Breeders' Cup. Our region is world-famous as the epicenter of Thoroughbred breeding, and many of this year's contenders were born, bred and raised at farms within 50 miles of Keeneland.

In addition, a number of horses competing in this year's Breeders' Cup were sold at Keeneland and have raced here, including during our recent Fall Meet. Representing Keeneland's global marketplace for Thoroughbreds are 123 graduates of Keeneland sales who have won 132 Breeders' Cup races. Additional Breeders' Cup winners sold at Keeneland after their victories in the prestigious event.

People love Keeneland for its timeless beauty and for the exceptional experience they enjoy here. The Keeneland team takes great pride in providing our guests with the most memorable racing experience possible. That and the global star power and top-quality competition of the Breeders' Cup are sure to make this year's event particularly memorable.

We love having you at Keeneland for the Breeders' Cup World Championships. Best of luck at the races.

Shannon B. Arvin  
*Keeneland President and CEO*

## Welcome to the 2022 Breeders' Cup World Championships

There is no better feeling than being able to welcome our fans, guests and racing participants to the 2022 Breeders' Cup World Championships, as we make good on our commitment to return to Lexington and to the magnificent Keeneland Race Course after running at Keeneland without fans in 2020. The last year has been one of excitement and transformation for our sport, delivering incredible races and momentous victories from the best horses in the world, and ushering in a new era of safety and integrity in Thoroughbred racing with the implementation of the Horseracing Integrity and Safety Act. It is with a renewed sense of optimism about racing's bright future that we welcome you all to the Horse Capital of the World to watch the best horses and jockeys in the world compete on our sport's biggest stage.

This year's exciting Breeders' Cup Challenge Series saw 75 individual winners across 11 countries gain entry to 14 World Championships races. With more than \$31 million available in purse money and awards, racing will commence this weekend with Future Stars Friday, comprising five World Championships races featuring two-year-old horses who will become racing's stars of tomorrow. On Saturday, nine World Championships races feature a vast array of international talent as the best from around the world compete on turf and dirt, culminating in the crowning of our 2022 Longines Breeders' Cup Classic Champion.

It takes dedicated, year-round, hard work by so many people to make the World Championships successful. I am so grateful for our team at Breeders' Cup and the support of our Board and Members, who all work tirelessly to provide a high-quality experience year after year. I also want to thank our wonderful partners at Keeneland and throughout the Lexington community, without whom none of this would be possible.

And to our breeders and nominators, thank you for your commitment to Thoroughbred racing and continuing efforts to help our industry succeed. Your care of, and commitment to, your beloved horses is cause for celebration and allows us to preserve the original Breeders' Cup vision for a prestigious, international, year-end competition.

On behalf of the Breeders' Cup, our Directors, our Members, and our nominators from across the globe, I hope you enjoy this year's World Championships. Following such a successful and encouraging year of racing, we are eager to soak up every moment as the world's best Thoroughbreds put on an extraordinary show.

Best regards,

Drew Fleming

# A CLOSER LOOK AT BREEDERS' CUP SAFETY PROTOCOLS

All runners must be on grounds for a security check-in

**TUESDAY, NOV 1**

and are under surveillance by security experts, veterinarians, track officials and regulators at all times.

Equine security experts monitor all runners

**24 HOURS**

a day, keeping security logs on visits by staff associated with the runner and any healthcare treatments administered prior to race day.

Multiple veterinary teams from Breeders' Cup, Keeneland and the Kentucky Horse Racing Commission assemble to evaluate and examine runners

**3-4 TIMES**

before race day and meet regularly to discuss their observations and findings.

## OTHER STRENGTHENED ONSITE REQUIREMENTS

Increased **VETERINARY REVIEW**

of medical records, past performances and prescriptions.

Prohibition of **RACE DAY MEDICATION.**

**INCREASED**

withdrawal times for anti-inflammatory medication.

**DAILY SURFACE TESTING**

overseen by international turf and dirt experts followed by the distribution of reports on the track conditions in addition to ongoing conditioning and maintenance based on weather conditions.

**JOCKEYS**

required to comply with concussion protocols and equipment safety standards in addition to being asked to participate in the Jockey Health Information System.

**VETERINARY AND PARAMEDIC**

teams positioned around the racetrack to immediately respond to any horse or rider that may need attention before, during or after the race.

Most of the pre-tests take place when contenders are stabled at tracks with their trainers, but in Europe, samples are taken by traveling to individual stables due to different stabling/shipping protocols.

## OUT-OF-COMPETITION TESTING

Breeders' Cup veterinarians start administering out-of-competition drug tests, or pre-tests, on Challenge winners and potential starters in **June**.

July

June

August

September

October

November

Testing continues until race day.

After the race, the top four finishers plus any others selected by the Stewards, are subject to post-race testing to ensure that all medication protocols and restrictions were followed.

# BREEDERS' CUP CHAMPION GAME WINNER'S FIRST FOALS IN THE SPOTLIGHT

When Game Winner crossed the finish line in front in the 2018 Breeders' Cup Juvenile (G1) at Churchill Downs, he put the exclamation point on a prolific two-year-old campaign.

Game Winner was the dominant colt of his generation throughout a perfect four-for-four season, which included the Del Mar Futurity (G1) and American Pharoah S. (G1) prior to the Breeders' Cup, where he bested future Horse of the Year Knicks Go by 2 ¼ lengths. His four two-year-old wins came by a cumulative 14 lengths, and he was named Eclipse Champion Two-Year-Old Male.

Game Winner was also a graded stakes winner at three, taking the Los Alamitos Derby (G3) by five lengths, and was second in the Santa Anita Derby (G1). He retired to Lane's End Farm to stand alongside his sire, Candy Ride (Arg), in 2021. Game Winner is out of a daughter of A.P. Indy who is in turn out of champion and multiple Grade 1 winner Fleet Indian, and he has unsurprisingly been a hot commodity during his first two seasons at Lane's End.

Four years removed from his greatest win, Game Winner's first foals will go through the ring at the breeding stock sales this fall, and they look to build on the momentum of his first in-foal mares last year, which averaged \$166,000 at Keeneland November, with a top price of \$725,000.

A full field of 14, Grade I-quality horses competing in most of the Championships races present high wagering value. The average payout prices for all bet types are higher due to the competitiveness of the horses, the large fields, and the total volume of wagering, which exceeds \$200 million. You should make a game plan for your wagers by doing some advance handicapping, making your selections, and determining the types and amounts of your wagers prior to getting into a mutuel line. Having a game plan will guarantee you the best chance to take advantage of the Championships. The following examples detail methods and strategies for wagering in each of the various bet types.

### BREEDERS' CUP ULTRA PICK 6:

The Ultra Pick 6 is Saturday's biggest bet and challenges you to select the winners of six consecutive Breeders' Cup races. The Ultra Pick 6 begins with race six and continues through the eleventh race, the Longines Breeders' Cup Classic. You have up until post time for race number six (estimated as 1:50 PM EDT) to place your Ultra Pick 6 wager. It will be divided and paid with a major and minor pool: 75% for 6 of 6 and 25% for 5 of 6. If there is not a winning ticket with 6 of 6, the major pool will pay 5 of 6.

#### Note:

In the event of a late scratch in any Pick 4, Pick 5, or Ultra Pick 6 wager, the betting favorite will be automatically substituted on any ticket that included the scratched horse.

# The Danzig Legacy

Danzig at Claiborne Farm (Above)

There are few names, human or equine, that are as synonymous with Breeders' Cup success as the mighty sire **DANZIG**.

The late resident of Claiborne Farm's influence reaches back to the inaugural Breeders' Cup in 1984, through to this year's event through his sons, grandsons, and beyond. **DANZIG** and his direct male sire line have accounted for over 20 different Breeders' Cup winners.

The link starts with **DANZIG** himself in the first Breeders' Cup at Hollywood Park, where **CHIEF'S CROWN** stormed down the stretch to win the Juvenile and secure champion 2-year-old male honors. **CHIEF'S CROWN** would one day become a Breeders' Cup sire in his own right, when **CHIEF BEARHART** won the 1997 Turf.

**CHIEF'S CROWN**'s Juvenile was one of five winning Breeders' Cup efforts by **DANZIG**'s runners. The list also includes consecutive editions of the Mile won by Hall of Famer **LURE** in 1992 and 1993; fellow Hall of Famer **DANCE SMARTLY** in the 1991 Distaff; and **WAR CHANT** in the 2000 Mile.

**DANZIG**'s sons have kept the fire burning for their sire, led by **DANEHILL**. The banner sire of the Juddmonte Farms operation was responsible for a pair of Breeders' Cup winners in his own right (Filly and Mare Turf winners **BANKS HILL** (GB) and **INTERCONTINENTAL** (GB)), but he is also the paternal grandsire of 2013 Juvenile Turf winner **OUTSTRIP** (GB) through **EXCEED AND EXCEL** (AUS).

**DANZIG** extends into a fifth generation through **DANEHILL**, reaching through **DANEHILL DANCER** (IRE) and **CHOISIR** (AUS) to deliver 2016 Turf Sprint winner **OBVIOUSLY**.

The **DANZIG** sire line has proven especially dominant in the

Breeders' Cup Filly and Mare Turf, where **DANZIG**-line sires have accounted for eight wins – over a third of the total editions that have been run. Chief among them is champion **OUIJA BOARD** (IRE), a great-granddaughter of **DANZIG** who won the race in 2004 and 2006.

Hall of Famer **GOLDIKOVA** (IRE) the co-winningest Breeders' Cup competitor in the event's history with three victories in the Mile, is a male-line descendent of **DANZIG** through her sire, the European champion **ANABAA**.

The **DANZIG** sire line was represented by a trio of Breeders' Cup winners in 2021: **TWILIGHT GLEAMING** in the Juvenile Turf Sprint, **PIZZA BIANCA** in the Juvenile Fillies Turf, and **ALOHA WEST** in the Sprint.

At Claiborne Farm, the **DANZIG** line lives on through **WAR FRONT**, one of the world's leading sires on the racetrack and in the auction ring. **WAR FRONT** added his own lot to **DANZIG**'s Breeders' Cup legacy in 2015, when **HIT IT A BOMB** closed with a rush to win the Juvenile Turf.

**DANZIG**'s sire line has proven itself able to win Breeders' Cup races over both dirt and turf, and **WAR FRONT** extended that versatility to his son, the young Claiborne stallion **WAR OF WILL**.

A paternal grandson of **DANZIG**, **WAR OF WILL** won the 2019 G1 Preakness Stakes over the main track at Pimlico, and he won the G1 Maker's Mark Mile Stakes over the Keeneland turf a year later. His first foals are weanlings of 2022, and they will be eligible for their first Breeders' Cup in 2024.

Her Majesty Queen Elizabeth II was an unmatched horsewoman. More than just an admirer of the sport, the empathetic hand she touched so many lives with in her rule extended to her love of horses and her patronage of Thoroughbred racing.

It is humbling that something so tangible and grounding to us as this sport and industry was something so close to her heart. This privileged connection to royalty is one we must never take for granted, inextricably tying us even closer to the world. With her passing came a void felt at every level. But also a warm reminder of just how big her impact was on us all.

Our sport of kings owes so much to the Queen. The love she showed for her country, her people, and the thrill of the race was a guiding light, and a legacy that will continue to inspire our industry for as long as her memory endures.

University of Kentucky standout athletes Oscar Tshiebwe and Dane Key have inked NIL deals with WinStar Farm to promote Life Is Good and Nashville.

# PACESETTERS

WinStar Farm's newest marketing campaigns, which feature collegiate athletes starring alongside their equine counterparts, are anything but typical.

A new era of allowing college athletes to profit off their name, image, and likeness (NIL) was ushered in by the NCAA (National Collegiate Athletic Association) in 2021, and businesses around the nation, including WinStar Farm, are teaming up with high-profile student-athletes to help generate excitement and attention for their brands through innovative endorsement deals.

Life Is Good

In securing athletes for their NIL promotions that reflect the ideals of WinStar Farm and who possess traits that reflect the horses they have been selected to endorse, the

Versailles-based operation didn't have to look far. WinStar inked NIL deals facilitated by PM Advertising with a pair of University of Kentucky athletes in Oscar Tshiebwe, a senior forward on the basketball team, and Dane Key, a freshman wide receiver and Lexington, Ky., native who is already making his mark on the football team.

Tshiebwe, a unanimous National Player of the Year a season ago for John Calipari's Wildcats, is endorsing Life Is Good, among the highest ranked horses in the world and a future WinStar stallion. Key is throwing his name and blistering speed behind the speedy Nashville, who will be standing his initial season at stud in 2023 after some sensationally fast performances on the racetrack during his racing career.

With eye-popping statistics akin to Life Is Good's eye-catching Grade 1 wins on the racetrack, Tshiebwe, originally from the Democratic Republic of the Congo, embodies the sentiment that life is a gift. A 6'9 senior forward, Tshiebwe averaged 17.4 points and 15.1 rebounds (tops in the country) per game a year ago. Tshiebwe

grew up playing soccer as a child but was encouraged to transition to basketball as a teenager because of his above-average height. He picked up a basketball for the first time at age 14 and moved to the United States in 2015 before his freshman year of high school.

"I want to play in the NBA, but it is not my destination," Tshiebwe said. "My destination is to be an evangelist, to travel the world and preach about Jesus Christ. To preach so that people can repent, change, and come to love Jesus."

As far as what he sees in his future, especially since his NIL experience has introduced him to the world of Thoroughbred breeding and racing, Tshiebwe shared, "I want to have a farm. I've always wanted a farm."

Key, much like Nashville, the horse he endorses, has left the starting blocks in a hurry this football season. Speed and size are coveted traits for racehorses, and they are important weapons for Key. The second-generation Wildcat has already burst onto the scene as a freshman, recording touchdown passes in each of his first three games this season.

It's difficult to imagine anyone growing up in Lexington that hasn't been to a horse race, and Key is no exception. Even better, the young wide receiver can see horse ownership in his future.

"Growing up in Lexington, I've always watched horse races at Keeneland," Key said. "Hopefully, one day I can own a horse. That would be an awesome experience. It's a once-in-a-lifetime experience owning a horse, so being able to watch my own horse race one day would be very special."

Dane Key with Nashville at WinStar Farm

Unlike in sports, the best possible score for a NIL business deal is win-win. Judging by early returns, WinStar, Tshiebwe, and Key appear to be on the right track to make that happen. ☆

*At Calumet Farm we know that it takes time to make history. For over 98 years Calumet has bred champions. With bloodlines that excel on both dirt and turf – claiming 2 Triple Crowns, a record 8 Kentucky Derby wins and 11 horses in the National Museum of Racing and Hall of Fame.*

*The Calumet Farm Stallion Roster is headlined by KEEN ICE, sire of Kentucky Derby Winner Rich Strike. Keen Ice was the only horse to beat Triple Crown Winner American Pharoah during his champion 3YO year. Keen Ice has experienced great success in the initial years of his stud career and is currently listed as #3 Second Crop sire by earnings.*

*Other stallions of note on the Calumet Farm roster include Oxbow, Hightail and Ransom the Moon. The former (G1) Preakness Stakes winner, OXBOW, is the sire of 68% Lifetime Winners / Starters including Hot Rod Charlie with earnings over \$5.2M. Oxbow's progeny include 5 Graded Stakes Winners, 12 Stakes Winners and 10 Stakes Placed runners. HIGHTAIL, winner of the Breeders' Cup Juvenile Sprint, boasts an impressive 76% Lifetime Winners / Starters including (G1) Winner Mongolian Groom. RANSOM THE MOON, the only (G1) Winning Sprinter by Malibu Moon at stud, has a first crop 2YO sales average of \$110k.*

*Behind the iconic white fences of Calumet, the training barns are full, broodmares grace the fields, and award winning foals once again flourish from the green pastures. This is the new era of Calumet's dynasty, where breeding, training and racing isn't just good business, it's our way of life.*

*Calumet Farm, a Legacy Reborn.*

# COOLMORE AMERICA, HOME OF CHAMPIONS

Ashford Stud, in the heart of Kentucky's famous Bluegrass, is home to Coolmore America. When Ashford first opened its doors for the 1982 breeding season the stallion roster was headlined by Storm Bird, the highest rated two-year-old in Europe in 1980. Among the resident mares was Terlingua. Her mating to Storm Bird that year would have a lasting impact on thoroughbred breeding worldwide through the exploits of their prolific son Storm Cat.

1996 marked the retirement of Kentucky Derby winner Thunder Gulch, who is out of a daughter of Storm Bird. Thunder Gulch would soon gain the distinction of being the first Champion Sire to stand at Ashford when he topped the general sire's list in 2001.

In the meantime, Giant's Causeway notched up three Champion Sire titles; only the fifth sire to do so since 1941 following luminaries Bull Lea, Nasrullah, Bold Ruler and Danzig. The 2YO Sires table has been topped by Ashford sires Woodman (twice), Hennessy, Tale Of The Cat, Giant's Causeway (twice), Uncle Mo and Scat Daddy.

Ashford's two Triple Crown winners have both enjoyed a year to remember with American Pharoah siring four Grade/Group 1 winners and Justify leading all two-year-old sires by both number of Stakes winners and number of Graded Stakes winners.

Uncle Mo, Munnings, Caravaggio and Practical Joke have all sired Grade/Group 1 winners this year and with Classic winner Early Voting (Gun Runner) and Champion Two-Year-Old Corniche (Quality Road) joining the roster for 2023, we think it's safe to say Ashford's iconic stallion barns will continue to house influential breed shapers for years to come.

## THREE CHEERS

Over the years, Three Chimneys' success has been intertwined with that of the Breeders' Cup. The winner of the inaugural Breeders' Cup Classic, Wild Again, took up stud duty at Three Chimneys. Wild Again would go on to sire 88 Stakes Winners. Fast forward to Del Mar in 2017, where Horse of the Year Gun Runner captured his fourth consecutive Grade 1 victory in the Breeders' Cup Classic. Retired to stud at Three Chimneys, Gun Runner's rise to stardom has been nothing shy of meteoric. With 6 first crop Grade 1 winners, many are comparing him to Mr. Prospector and Danzig. The lifeblood of this sport is the breeder, without whom this event would not be celebrated. On this, the 39th anniversary, we say Three Cheers to the breeder and to the Breeders' Cup.

# SURFACE MAINTENANCE & TECHNOLOGY

## TRACK CONDITIONING IS DONE MULTIPLE TIMES A DAY.

Factors that can be controlled in dirt and turf tracks are water, compaction and material composition/loss.

### DIRT TRACK

The main track at Keeneland is a natural dirt track that is a combination of several types of dirt and sand. In order to ensure the safest track conditions for the athletes, surface specialists use a number of maintenance techniques depending on weather conditions.

Various types of machinery are used by the track superintendent for grooming the track to ensure proper cushioning depth and surface consistency for each race.

Instruments are used to measure and record cushion depth as well as moisture content to provide the safest possible racing surface.

These same techniques are used several times each morning and during “renovation breaks” to ensure a consistent and safe surface while horses are exercising in preparation for future races.

To provide consistent and even footing, the track’s inside safety rail can be repositioned to ensure that the horses are running on fresh and even turf.

Tamping of divots and aeration are two ways to ensure consistent and cushioned footing.

Moisture content is closely monitored to produce even footing while promoting turf growth.

### TURF TRACK

## KEENELAND SURFACE TESTING PROTOCOLS

- ✓ Experts use instrumentation to collect data on track conditions to ensure that the surface is consistent around and across the track.
- ✓ The surface testing process at Keeneland is ongoing throughout training & racing.

## WORLD CHAMPIONSHIPS

- ✓ Surface maintenance and testing protocols for the World Championships will follow Keeneland’s existing system with a few additions.
- ✓ International turf expert Mike Maher, Managing Director of Turftrax, is engaged by the Breeders’ Cup to consult on turf conditions and evaluate readings provided by the “Going Stick.”
- ✓ Mick Peterson, through the Racing Surfaces Testing Laboratory, will also be onsite on behalf of the Breeders’ Cup. He and his team consistently work with Keeneland.

LONGINES  
WORLD'S BEST  
RACEHORSE RANKINGS

*ifhaonline.org*

The LONGINES World's Best Racehorse Rankings is horse racing's equivalent to World Rankings by other major sporting organizations such as ATP Tennis Rankings, World Golf Rankings, FIFA World Rankings for soccer and IRB Rugby World Rankings.

The LONGINES Rankings are based on the ratings earned by horses running worldwide from North and South America, Europe, Middle East, South Africa, Asia through to Australia and New Zealand.

The ratings are compiled under the auspices of The International Federation of Horseracing Authorities (IFHA) by racing officials & handicappers representing the five continents who compile the ranking order by agreeing on the rating for each horse.

The ratings are based on the performance of horses in elite races held during the designated period which takes in account the quality of opposition and achievements of each horse.

Throughout the year the LONGINES Rankings are published at regular intervals and the consolidated annual rankings are released in January. The annual rankings denote the champions in the various distance categories for example sprint or mile, surface either turf or dirt/artificial and also the fillies & mares category.

 Denotes Breeders' Cup pre-entry.

# BREEDERS' CUP VETERINARIAN EXAMINATIONS

At the Breeders' Cup, veterinarians do everything possible to ensure the  
**SAFETY OF OUR ATHLETES.**

**STARTING**  
**6 MONTHS** BEFORE BREEDERS' CUP

## PRE-TEST AND EXAMINE

Around the world, Breeders' Cup veterinarians examine and take blood and hair samples to ensure Challenge winners and potential starters have not used Performance Enhancing Substances or banned medications.

## SECURITY & VETERINARY CHECK IN TIME

All Breeders' Cup Friday and Saturday Championship runners must report to Keeneland for security check in.

**TUESDAY, NOV 1** At this time, blood, hair or urine samples will be taken for additional testing. They are carefully monitored by the equine security team 24 hours a day.

### EXPERIENCED VETERINARIANS

The Breeders' Cup employs experienced, regulatory and highly respected veterinarians to assemble at Keeneland to begin daily inspections of all runners by assigned veterinary teams. The teams pair Breeders' Cup veterinarians, the Keeneland safety veterinarians and Kentucky Horse Racing Commission (KHRC) regulatory veterinarians.

### FLEXIBILITY & JOGGING

Veterinary teams go to every trainer's barn to examine each horse, which includes a combination of feeling its legs, testing for flexibility, and jogging to demonstrate the horse's natural movement. All horses will pass a jog up exam before being allowed on the track to exercise.

### OBSERVE ON THE TRACK

Veterinary teams are stationed around the racetrack to observe Breeders' Cup horses during training in the mornings. All runners must undergo a mandatory trot up exam prior to training. This ensures that the horses show no outward signs of injury and how well the horse moves over the racing surface.

### REGULAR MONITORING

The Breeders' Cup horses are closely observed, with multiple examinations done from the time they arrive at Keeneland up until race day. Each day, the veterinary team meets to discuss each participating horse.

## RACE DAYS NOVEMBER 4-5

### LOOK AT EVERY STARTER AT THEIR BARN

Veterinary teams conduct intensive examinations of every starter at their barn to determine if the horse is 100% healthy. If a runner is found to be unfit to race, the official veterinarian will communicate with Stewards and the trainer, which results in a Steward's scratch, meaning the horse will not run.

### PADDOCK TO THE TRACK

Veterinary teams are stationed in the paddock to observe the horses as they are being saddled. When the horses are called to the track, the veterinary team follows the runners down the tunnel to the racetrack. The veterinary teams then follow the horses as they jog to warm up before going to the starting gate. If a horse does not warm up appropriately, it is removed from the race.

### INJURY MANAGEMENT TEAM

The veterinarian and paramedics teams take their positions around the racetrack so that if any horse or rider needs attention before, during, or after the race, they can immediately respond.
